## ***Chianti "Colli Fiorentini" DOCG***

Deep slightly violet pigeon blood ruby with lively ruby rim. The bouquet is fairly intense, and fresh, with forest berry fruit and mixture of cherry. On the palate it's ample and smooth, with fairly rich forest berry fruit supported from acidity and light tannins that do have a slight burr, with long berry fruit aftertasting. It will work quite well with grilled meats or light stews, and you may also want to drink it by the glass with friends.
