

BOTTER

Venezia 1928

PROSECCO DOC ROSE' MILLESIMATO

Botter has been synonymous with wine since 1928. A wide range of products, the majority of which is made with grapes from native vines to emphasize its multi-territorial approach that embraces all of Italy.

INSPIRATION

Where it all began at the turn of the last century: Venice and its province.

CONSUMER SEGMENT

Lovers of contemporary classics, dynamic people who stand out for their sophistication, even at the table.

BRAND

The brand bears the name of the family that has been leading the company for three generations. In 1928 Carlo Botter and his wife Maria started a small retail business selling wines in bulk and in demijohns that became an entrepreneurial business model already by the late post-war period, when their sons, Arnaldo and Enzo started exporting bottled wines beyond national borders. At the end of the 90s the third generation - Annalisa, Alessandro and Luca - gave a further entrepreneurial impetus to the company, which led Botter S.p.A. to become a leader in the world of Italian wine.

DESIGN

Together with the new payoff, it emphasizes the sense of belonging to a territory, a history, a culture and to the values of the city that the whole world knows and envies us for. The details in the packaging highlight the search for strong continuity with the past and, simultaneously, renewed momentum in the future: the soft wave that cuts across the label is a strong reference to fresh water, the gold leaf and gloss paint finishes evoke the glitz and glamour of the city's buildings; finally, the six horizontal lines are a tribute to Venice's sestieri.

WINE STYLE

Suitable for every occasion, easy-drinking, pleasant to sip as an aperitif and perfect for enhancing everyday meals

VENETO REGION

Temperate, mitigated by the sea, the chain of the Alps protects it from the northern winds. Winters are cold and wet, summers are hot and sultry with medium temperature excursions.

VINIFICATION:

The blend of Glera and Pinot Noir (up to a max of 15%), skillfully vinified by our team of oenologists, creates the characteristic pink base for the future sparkling wine.

The ensuing secondary fermentation in stainless steel tanks, using the Charmat method at a controlled temperature of 14-15°C and the prolonged storage on lees for a total period of about 60 days, create a young, lively sparkling wine with vivid flavors. Once the wine has reached the required pressure, alcohol and sugar levels, it is chilled and coldstabilized (-2/-3°C), filtered and checked before bottling.

Fine bright perlage, light rosé colour

Delicate and complex bouquet with fruity notes that remind of peach, green apple and lemon. Floral notes of acacia and rose

Fresh and light on the palate, with balanced acidity and body; Round and full bodied structure

Enjoy rosé bubbles as an aperitif but excellent with fish soups, grilled fish and courses based on mushrooms
