BARBERA D'ALBA 'TOM' EUGENIO BOCCHINO

A great interpretation of Barbera, made in Alba, with Eugenio Bocchino's signature old world style. Look for a fragrant nose that is redolent of perfectly ripe red fruit and spice that unfolds into a long, layered, palate with notes of wild cherries with hints of licorice, juniper, and earth. This wine comes from 30 yr old vines in two different vineyards: La Morra and Verduno.
