

**Brunello di
Montalcino Riserva
DOCG**

FERRERO

Deep ruby red of impressive intensity. The small cask has gently released the spices from the wood that are deeply going along with the fine and elegant Sangiovese aromas. The extraordinary intensity requires meditation. Full, the mature tannins are obvious but finely woven into a sensual body. Great balance between power and elegance, with a lively acidity that promises a very long life. Long, tasty and faceted aftertaste.
